Without OS

Fixed Stand

SKU: UNO24-R5_7-8_8-M128-19_7-M-W_OS-F

Transform your workspace with effortless power and precision.

The Thinvent Uno 23.8-inch All-in-One PC brings together AMD Ryzen 5 processing and a stunning full HD display to deliver a desktop experience that is both space-saving and performance-driven. Whether you are managing a busy reception, running point-of-sale in a retail environment, or supercharging your home office, this machine handles multiple applications, spreadsheets, and video conferencing with grace.

Why choose the Thinvent Uno

- A responsive processor that keeps up with demanding daily tasks, from data entry to content management, without lag or slowdown
- A generous 23.8-inch screen with wide viewing angles ensures everyone sees the same clear picture, ideal for collaborative work or customer-facing displays

- A discreet pop-up webcam protects your privacy and maintains a clean, professional appearance when not in use
- Solid-state storage for instant boot times and snappy file access, reducing downtime and boosting productivity
- Integrated dual-band WiFi gives you reliable wireless connectivity wherever you place it, freeing you from cable clutter
- A robust fixed stand provides stable, wobble-free support in high-traffic areas

Designed for professionals who value reliability and simplicity, the Uno requires minimal setup and fits seamlessly into

Thinvent Uno 23.8" All in One PC
