thinvent

Thinvent Micro 2 Zero Client

Compact and Elegant

Thinvent's Micro 2 thin client is an energy-efficient zero client with a small size. It comes with full USB and audio peripheral connectivity, and dual display ports capable of a maximum screen resolution of 1920 x 1080. The inbuilt VESA mount saves desk space. Hassle free installation of this device behind the monitor makes the life of your IT department easy.
