## Oxygen Concentrator 1

### Product Overview

5L/min medical oxygen concentrators for use in the convalescent care of Covid-19 patients.

### Features

PSA technology

Adjustable flow rate

Display: LCD shows the accumulated working time of the machine and the running time set.

### Technical Information

- Flow rate: Up to 5 litres per minute, adjustable
- Oxygen Purity: 93%  $\pm$  3%
- Outlet pressure(Mpa): 0.04-0.07
- Sound level:  $\leq$  50 dB
- Power consumption:  $\leq$  480W
- Gross weight: 18.8kg

### Commercial Information

Imported, sold and serviced in India by Thinvent Technologies Pvt. Ltd., Gurgaon.

One year support from date of invoicing, with part replacement on chargeable basis.

# Oxygen Concentrator 2

## Product Overview

5L/min medical oxygen concentrators for use in the convalescent care of Covid-19 patients.

## Features

PSA technology. Adjustable flow rate. LCD shows the accumulated working time of the machine and the running time set.

## Technical Information

- Flow rate: Up to 5 litres per minute, adjustable
- Oxygen Purity: 93%  $\pm$  3%
- Outlet pressure : 58.6  $\pm$  6kPa
- Sound level:  $\leq$  45 dB
- Power consumption:  $\leq$  280W
- Electrical Input: 220V/50Hz
- Gross weight: 15.6 kg
- Dimensions: 373  $\times$  322  $\times$  570 mm
- Package: 410  $\times$  360  $\times$  606 mm

## Commercial Information

Imported, sold and serviced in India by Thinvent Technologies Pvt. Ltd., Gurgaon.

One year support from date of invoicing, with part replacement on chargeable basis.

# Oxygen Concentrator 3

## Product Overview

10L/min medical oxygen concentrators for use in the treatment of Covid-19 patients.

## Features

PSA technology. Adjustable flow rate.

## Technical Information

- Flow rate: 1-10 litres per minute, adjustable
- Oxygen Purity: 93%  $\pm$  3%
- Outlet pressure : 60-85 kPa
- Sound level:  $\leq$  60 dB
- Power consumption:  $\leq$  770 W
- Gross weight: 20.5kg
- Electrical Input: 220V-240V/50Hz
- Product Dimensions : 400  $\times$  300  $\times$  540 mm
- Package Dimension: 410  $\times$  360  $\times$  606 mm

## Commercial Information

Imported, sold and serviced in India by Thinvent Technologies Pvt. Ltd., Gurgaon.

One year support from date of invoicing, with part replacement on chargeable basis.
